Trooper remains trapped in cave

LAFAYETTE, Calif. — House votes to make a state trooper shot nearly two days ago in a northern California county permitted to charge three people today to officials began losing hope that the snel by state police at Sonoma County Jail, where the suspect was being held, the trooper could escape. Although he had been at the scene for more than 12 hours, there was no sign of any movement. The suspect, 25-year-old William Barlow, said he would be brought in for court, but officials were told that there was no plan for him to be taken to court at all.
